Meeting Will Be:
Tuesday, July 15. 7:00 P.M.
at the Model Home.

Your Neighbors are reporting that we STILL are having a DOG DOO problem. PLEASE take the time and care to clean up after your dog.

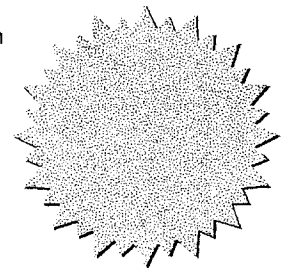

Now that school is out, remind your children how dangerous (and illegal) it is to play in the streets.

A Note About the Picnic:

Our annual neighborhood picnic was an outstanding success. The children entertained themselves in a Jumping Jimmy Moonwalk. A great magician "tricked" us. We played numerous games. Old and new neighbors had a great fellowship, and we literally "ate" the afternoon away.

I would like to thank McBride & Son and all the neighbors who made a financial contribution. Your support guaranteed an exciting, fun-filled, and safe 1997 picnic. My sincere appreciation goes to the Picnic Committee volunteers and our dedicated block captains.

Tevis Taylor
1997 Picnic Committee Chairperson

Park Days!!

On July 2 we will resume our Wednesday morning park outings. If you are interested in spending a few hours with neighbors, meet at the O'Fallon Park at noon and bring a sack lunch!!
